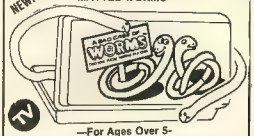
MATTEL WORMS

NEW!



—For Ages Over 5-

Toss 'em on a wall and watch 'em crawl. Two 8" segmented worms that actually look and act like the real thing. Throw 'em on any smooth wall and watch them inch their way down, turning and squirming. EEyuck. It's enough to make your skin crawl, they're so wiggly and clammy and absolutely digusting. Which, of course, is why kids will love them. To keep worms slightly sticky for crawling, just wash them in mild soap and water. Worms are flexible, non-toxic, and come in a plastic case

TOMY DIGITAL DIAMOND BASEBALL GAME

- For Ages 6 and Up -

The push-button baseball game. It's player against player. The pitcher can throw a fast ball or curve. The batter can hit or miss. If it's a hit, a digital light goes into the field. The fielder then pushes a button which lets him know if it's a single, double, triple, home run or out. It has a complete scoreboard where you keep the score. Size: 8½" x 6" x 2". Uses 2 AA batteries, not included.

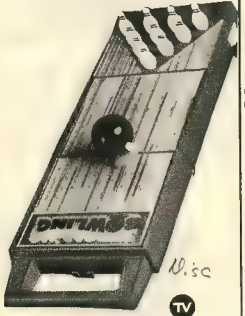
12 in a carton, 12 lbs.

TOMY STROLLING BOWLING



- Ages 5 and Up -

A compact, portable bowling game that you can play right in your own living room or even in the backyard. Just open the case and there's a little bowling alley right there. Then wind up the ball, set it down on the lane and watch as the little bowling ball hops down and knocks the pins over.

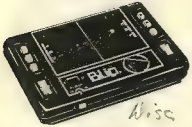
12 in a carton, 6 lbs.

TOMY BLIP DIGITAL GAME



- Ages 5 and Up -

Player against player, or player against machine. Just automatically activate power source by winding Blip's timing mechanism. Push the serve button and try to return by pressing one of the numbered Blip buttons. Send the light-emitting diode ball back to where it came from. Automatic digital scoreboard. Requires 2 AA batteries, not included
